

9th ENES HPC Workshop on High Performance Computing for Weather and Climate

SMHI, Norrköping, Sweden

19th - 21st May 2026

Practical information

Norrköping is a city in the province of Östergötland in eastern Sweden, about 160 km south west of Stockholm, and 500 km north east of Denmark's capital Copenhagen.

How to get to Norrköping:

If coming all the way to Norrköping by train is not possible, you can fly to Stockholm, Linköping or even Copenhagen, and then take the train to Norrköping.

The average journey time by train between Stockholm Arlanda airport and Norrköping Central is 2 hours, with around 48 trains per day. You can also catch a train from Copenhagen, which takes 4-5 hours. From Linköping airport to Norrköping, you'll either need to catch a bus to Linköping Central Station and then a train to Norrköping central station, or a taxi will take around 30 minutes.

Meals and social events:

Lunches will be provided in SMHI's restaurant "Stormköket" each day as part of the workshop programme. Light refreshments will also be offered during breaks morning and afternoon. Special dietary needs can be accommodated: please just let us know in advance.

You are also warmly invited to join us on a complimentary guided walk around Norrköping's historical industrial quarter alongside the Motala Ström, as the river through the city is known, on the evening of 20th May. Afterwards, we will meet for the workshop dinner at Gamla Bryggeriet, Sandgatan 1.
